

**NOTICE
TO ALL LANDOWNERS
ALONG RURAL ROADS**

MOWING PUBLIC ROAD RIGHT OF WAYS: It is the duty of all landowners in Nebraska to mow all weeds along public roads and drainage ditches, running along their land between July 15th and August 15th. See Section 39-1811 R.S. 1943 of Nebraska.

TRIMMING HEDGES, TREES AND UNDERGROWTH ON PUBLIC ROADS: Each landowner in the State upon whose land there is growing a hedge, trees or undergrowth bordering the public roads that is a nuisance to travel thereon or obstructs vision at or near a railroad crossing, or a cross road, shall keep same trimmed or removed from the road right-of-ways. See Section 39-1812 R.S. 1943 of Nebraska.

IRRIGATION WATER RUNNING ON OR ACROSS A PUBLIC ROAD: It is unlawful for the landowner to divert any irrigation water across or upon the public road right-of-way sprinkler irrigation system, creating hazardous driving conditions. Such offense is punishable by a fine of not less than ten dollars or more than one hundred dollars. See Section 39-301 and 39-302 R.S. 1975 Supplement.
